

MISSION Series

In-track Driver LED Tracklight

Tracklight

MISSION

Features

- High efficiency lighting solution
- In-Track LED driver for simplified design
- Integrated installation effect
- Aluminium extrusion with optimal heat dissipation

Specifications

- Dimming modes: ON-OFF/DALI Dim
- Beam angle: 18°, 24°, 40°, 60° (MISSION S)
20°, 35°, 45°, 60° (MISSION M)
- Housing: aluminium, powder coating
- Accessories: plastic secondary reflector

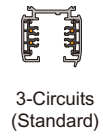

Type

Light distribution

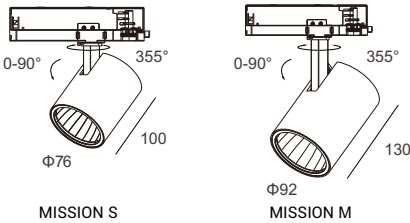

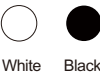

Track Adapter

MISSION

Tracklight
