

NEKO LIGHTING AG

**ABOUT  
NEKO**

**1**

# Sven Speissegger

Founder of NEKO

*"I believe everyone should have the chance to enjoy beautiful, well-designed lighting at a fair and affordable price."*

**NEKO**  
THINK DESIGN

Founded in **2013** by Mr. Sven Speissegger, NEKO set out with a clear vision: to deliver high-quality, efficient LED lighting solutions with an exceptional price-to-performance ratio. Under Mr. Speissegger's leadership, NEKO has rapidly evolved into a thriving international lighting company, now serving customers in **over 120 countries** with innovative architectural solutions for both indoor and outdoor applications. Over the past decade, NEKO has grown into a global team of **more than 450 employees**, with its own production facility in Asia and dedicated Design, Sales, and Marketing departments in Europe. Mr. Speissegger's commitment to innovation and quality continues to drive NEKO's success and industry leadership.

## PHILOSOPHY

At NEKO Lighting, 'THINK DESIGN' embodies our commitment to combining European aesthetics with the efficiency of Asian craftsmanship.

## COMMITMENT

# NEKO'S SUSTAINABILITY PILLARS

**2013**

**Foundation**

- NEKO established

**2017**

**Regional Growth**

- Beijing, Shanghai, Shenzhen sales center established.

**2019**

**Industrial Upgrade**

- 35,000m<sup>2</sup> Huizhou Industrial Park established.

**2021**

**Quality & Recognition**

- ISO9001, ISO14001, ISO45001 certified.
- Red Dot Award winner.
- New factory in Malaysia.

**2023**

**Recognition**

- iF Design Award & GOOD DESIGN Award winner.

**2026**

**Industrial Upgrade**

- New 48,000m<sup>2</sup> modern industrial park established, with a new showroom open to the public.

## Worldwide Reach, Seamless Distribution

NEKO has built a powerful global network with over **170 distributors** and **14 offices** — including our **Swiss headquarters**, a **combined manufacturing and logistics hub** in China, and a **dedicated warehouse** in Europe.

NEKO ensures efficient logistics with strategically located **warehouses in Europe and Asia**. Our presence in key markets across the globe ensures that NEKO products are always within reach. It's this combination of global accessibility and precise execution that allows us to light up spaces with style, wherever you are.

# Research & Development

NEKO's team of **over 60 global professionals** is at the forefront of innovation, combining diverse expertise to **design and develop cutting-edge lighting solutions**. From initial concept to final production, our team is deeply involved in every stage of the product lifecycle, ensuring creativity, precision, and functionality in every design. This holistic approach allows us to consistently deliver advanced lighting solutions that meet the needs of customers worldwide.

# LABORATORY

NEKO operates its own state-of-the-art testing center, equipped with **over 150 advanced testing instruments**. Every product undergoes rigorous and comprehensive testing to ensure it meets the highest industry standards and delivers reliable performance. By combining precision testing with meticulous quality control, we guarantee that our lighting solutions not only meet but exceed customer expectations in functionality and durability.

NEKO owns and operates its **independent factory**, spanning an impressive **48,000m<sup>2</sup>**. The facility is equipped with advanced **CNC machines**, a **surface treatment processing center**, a dedicated **manufacturing center**, an **in-house testing laboratory**, and a comprehensive **warehousing and logistics hub**. This integrated system enables a seamless workflow from design and production to rigorous quality inspection and efficient delivery. Our strict processes ensure that every product meets the highest standards, providing customers with reliable, high-quality lighting solutions they can trust.

# 120+ Patents

7 Invention Patent  
63 Design Patent  
47 Utility Model Patent

Downlight

12 Product Lines

NEKO / SENSE 2.0

LED Downlight  
Modular system  
Fixed, Adjustable, Wall Washer  
Easy installation

NEKO / FUSION G2

Linear LED Downlight series  
High performance and visual comfort  
Fixed, Adjustable, Spotlight  
Higher efficiency and more beam angles

NEKO / PASSION

High efficiency up to 140lm/W  
Downlight lighting, USB-19  
IP65

NEKO / TAKED / TAKO Pro

Interchangeable Design  
Super eye comfort  
High efficiency

NEKO / MINUX

Modular solution for small  
Ceiling colour of Ø30mm, Ø40mm and Ø57mm  
Optimal glare control with USB-19  
High lumen packages

NEKO / VISION

Fixed Downlight and Wall Washer  
Powerful Downlight solution  
Ceiling colour of Ø60mm

NEKO / CLUB

LED module  
Replacement for MR16 halogen module  
Various colour designs  
Decorative rings with magnetic design

NEKO / SKYJACK

Downlights with low height  
Inc. Phase Dim Drive  
Inc. Fast Connector Junction Box  
IP65 Downlight Solution

NEKO / FUSION

Linear LED Downlight series  
High performance and visual comfort  
Fixed, Adjustable, Wall Washer, General Light, Spotlight  
Trimless versions

NEKO / KENZO

Compact LED spotlight system  
Powerful light and energy efficient  
Adjustable accent lighting  
Suitable for any architectural ambience

NEKO / PEARL

Indirect as standard  
Different colours of reflector for options  
Recessed, Surface, Pendant  
Easy installation

NEKO / MRJ ART

LED Ceiling light  
Customized colors are available  
Good light control via remote lens, USB-19  
Easy for installation

Ceiling Light

18 Product Lines

Coming Soon

NEKO / SPACE 07

Decorative linear light  
Length of pendant wire is infinitely adjusted via other  
Different colors of track for options  
Direct and indirect available

NEKO / SPACE 16 RING

Decorative linear light  
Length of pendant wire is infinitely adjusted via other  
Different colors of track for options  
Direct and indirect available

NEKO / MOVE

Decorative pendant light  
Length of pendant wire is infinitely adjusted via other  
Different colors of track for options  
Convenient beam options

NEKO / PURE

LED spotlight with lens technology  
Housing with integrated driver  
Different beam angles

NEKO / CEILING LIGHTS

Outdoor ceiling lights  
Various types to fit different applications

NEKO / GLAMOR

Splice Downlight CCT Switchable  
Efficiency up to 130 lm/W  
Three diameters available: Ø300, Ø400, Ø600  
Surface Mounted and Pendant  
IP44, USB-C 19

NEKO / GAME

LED ceiling light for a wide range of application  
Monoparametric cover for super eye comfort  
Four diameters available: Ø30, Ø40, Ø60, Ø80 mm  
Suitable for ceiling mounted and suspended with wire or rail

NEKO / SUSHI

Special design light recessed reflector  
Perfectly perfect lighting  
Monoparametric design for a particularly good glare  
reduction  
Deluxe mounting and suspension with wire or rail

NEKO / SHOT

On/Off emergency light version or recessed version  
Power needs adjustable by switch  
Ø300/Ø400/Ø600 adjustable by switch  
Homogeneous light

NEKO / PEARL

Indirect as standard  
Different colours of reflector for options  
Recessed, Surface, Pendant  
Easy installation

NEKO / MRJ ART

LED ceiling light  
Customized colors are available

Recessed housing and reflector colours  
Decorative accent lighting

Linear System

3 Product Lines

NEKO / PURE

LED spotlight with lens technology  
Housing with integrated driver  
Different beam angles

NEKO / CEILING LIGHTS

Outdoor ceiling lights  
Various types to fit different applications

NEKO / SPACE 68 EVO

Ø68mm profile width (20mm for trim recessed version)  
Offer fully customizable lengths and shape modules  
Monoparametric cover version (500x170)  
Independent and continuous lighting options  
Available in ON/OFF or DALI dimmable versions

NEKO / SPACE 40

Ø40mm track light width  
Available in different lengths  
Monoparametric optics  
ON/OFF or DALI dimming options

NEKO / DASH

Light lines with Ø30mm or Ø50mm light track width  
Optional ON/OFF or DALI Dim  
Recessed, surface-mounted pendant or wall-mounted  
luminaire  
Clear monoparametric optics  
Made in Europe

NEKO / DASH SMART

Recessable linear light module  
Pendant, surface mount, recessed and panel solution  
Solution for 3-phase track

NEKO / FUSION LINEAR SYSTEM

Linear system  
Universal beam, adjustable connection  
Various and different lighting options  
Recessed, surface-mounted or suspended mounted

Track Light

2 Product Lines

NEKO / PURE

LED spotlight with lens technology  
Housing with integrated driver  
Different beam angles

NEKO / MRJ

Pendant or ceiling mounted luminaire  
Recessed housing and reflector colours  
Decorative accent lighting

Wall Light

6 Product Lines

NEKO / SPIN

LED wall light  
Double-sided lighting  
Convenient beam options  
Special colors of finish

NEKO / GLAMOR

3000K/3000K/4000K CCT Switchable  
Efficiency up to 130 lm/W  
Three diameters available: Ø300, Ø400, Ø600  
Surface Mounted and Pendant  
IP44, USB-C 19

NEKO / SHOT

On/Off emergency light version or recessed version  
Power needs adjustable by switch  
Ø300/Ø400/Ø600 adjustable by switch  
Homogeneous light

NEKO / CHIC

LED wall-lighting light  
Cover changeable  
CCT switchable  
Waterproof class IP65

NEKO / KID

LED Light Up/Down  
Indirect warm white light  
Used for playrooms, corridors or in rooms  
Dim to Warm available  
No mobile screens

NEKO / WALL LIGHTS

Round and angular designs offer versatile possibilities  
Double and single emission options for more flexible  
lighting  
Die-cast aluminum body for durability

Low Voltage Track System

2 Product Lines

NEKO / MODULINE 16

The ultra-thin linear module system  
ON/OFF, Phase Dim, 1-10V Dim, DALI Dim

NEKO / MODULINE 26

Wide range of light beams  
Variable areas of application  
Pendant design options for the tracks  
ON/OFF, 1-10V Dim and DALI Dim

Decorative Light

2 Product Lines

NEKO / SPACE 07

Decorative linear light  
Length of pendant wire is infinitely adjusted via other  
Different colors of track for options  
Direct and indirect available

NEKO / SPACE 16 RING

Decorative linear light  
Length of pendant wire is infinitely adjusted via other  
Different colors of track for options  
Direct and indirect available

NEKO / MOVE

Decorative pendant light  
Length of pendant wire is infinitely adjusted via other  
Different colors of track for options  
Convenient beam options

NEKO / SPIN

LED wall light  
Double-sided lighting  
Convenient beam options  
Special colors of finish

Outdoor Light

8 Product Lines

NEKO / MOVE

Decorative pendant light  
Length of pendant wire is infinitely adjusted via other  
Different colors of track for options  
Convenient beam options

NEKO / MOVE EASY

Automatically lifted and lowered  
The shape and function can be customized  
Easy to control

NEKO / CHIC

LED wall-lighting light  
Cover changeable  
CCT switchable  
Waterproof class IP65

NEKO / Projectors

Available in different sizes  
Dimming options available  
High-performance light with diverse lens options

NEKO / In-ground Lights

Waterproof class IP67 Deep anti-glare design  
Stainless steel cover for enhanced reliability

Café in Hotel Mouco, Portugal

A modern office interior featuring a large, tufted orange leather sofa in the foreground. The room has dark wood-paneled walls and a ceiling with several large, circular pendant lights. Large floor-to-ceiling windows offer a view of a city skyline. In the background, there are glass-walled meeting rooms and other office furniture, including armchairs and desks. The floor is a polished, speckled material.
